

BILL LORD SCHOLARSHIP 2011

Stoney Lonesome Motorcycle Club is again offering the Bill Lord Scholarship for 2011.

The Scholarship is open to any mini class rider who is competing in the Stoney Lonesome Motorcycle Club Hare Scrambles Championship Series.

The winner will receive free gate fees and race entry fees to the six 2011 Hare Scrambles Championship Series races.

To enter for the scholarship the rider needs to write an essay on "Why I enjoy the sport of off-road motorcycling". It must be in the riders own words; and handwriting is the preferred format compared to typing. There is no limit to the number of words.

Entries will close on March 31st 2011 and will be announced at the first race on April 17th. The winner will get a voucher for free fees for all SLMC Series events. Also the club will send details of the winner to Cycle USA magazine.

Bill Lord.

Bill was an avid off-road motorcyclist and a great Stoney club member. He would always provide help and solid advice and help to anyone who needed it, and he did it with a smile. He was at the front of the line when there was work to be done.
